

**Warehouse Registration & Offering System
Under
Joint Venture Scheme
(NEW SYSTEM OF MPWLC)**

USER MANUAL

Ver 1.0
February 2018

MP Warehousing and Logistics Corporation
Office Complex, Block 'A'
Gautam Nagar,
Bhopal (M.P)

1. BACKGROUND

MPWLC is in continues process to transform the service delivery by introducing efficiency in its processes. These changes will be helpful to the concerned stakeholders in long run. In compliance of the same, a new application has been developed for Warehouse / Godown Owners to register their Warehouse / Godown under Joint Venture Scheme (JVS) to offer the capacities for storage in various crop seasons. Previously these activities were undertaken by third party portal.

2. SCOPE OF DOCUMENT

This User manual covers the activities to be undertaken by the applicants (such as Warehouse / Godown Owners) to register their Warehouse / Godown under Joint Venture Scheme (JVS) and then offer the storage capacities. It also contains the payment process for Registration and Offer fees.

3. REGISTRATION FORM ENTRY

With the launch of the new Application for Warehouse Registration & Offering System, all previous registrations are now **NOT VALID** to receive any offer for storage from MPWLC.

All interested Warehouse / Godown Owners must have to **REGISTER** their Warehouse / Godown in this system again to provide any offer to MPWLC. Applications received through this application will only be considered.

In order to register themselves, All interested Warehouse / Godown Owners must go to the link available in MPWLC official website <http://mpwarehousing.com/> and click the URL <http://mpsc.mp.nic.in/warehouse/JointVentureScheme/JointVentureSchemeApp.aspx>

The screenshot displays the MPWLC website interface. At the top left is the MPWLC logo with '281 Branch' below it. The main header includes the text 'Madhya Pradesh Warehousing and Logistics Corporation'. A navigation bar contains links for Home, News, Gallery, and Contact Us. A large yellow banner at the top right contains the text: 'Registration/Offered Capacity Under Joint venture Scheme has been Started on 14 February 2018 at 11:00 AM'. Below the banner, there are several news items and a 'Services We Offer' section. The 'Services We Offer' section lists: Scientific storage facility, D.E.S.S., and License for Warehousing. The 'Our Network' section shows a map of India with district and region markers. A 'Current Updates' section on the right lists recent news items, including the appointment of Mr. Om Prakash Dhurve as Food Minister and Mr. Rajeev Chandra Dubey as Managing Director.

This screen will open where all instructions are listed. Users are advised to go through the **instructions very carefully** and apply the same in application filing process. User has to first create his / her login to proceed for registration by clicking the link (**Registration form – Login**) as shown above.

Warehouse Joint Venture Scheme

for for JVS Scheme begins on 19/02/2018 and ends on 26/02/2018

Joint Venture Scheme for 2018-19

 Digital India

This screen has few sections which user has to fill up with proper information.

- Warehouse Registration Details** – User has to enter the correct name of Warehouse, its office address and postal address, Contact number / mobile number , Landmark Near Warehouse / Godown, District, Tehsil, Nearest Branch of MPWLC, Distance from nearest branch of MPWLC [in KM]
- License Details** - User has to enter the correct details of Licences available
 - 1) State License - Does it has Present Validity?(State License) (Yes /No), Warehouse License No, Valid Up Date (select from date picker only)
 - 2) WRDA License - Does it has Present Validity?(WDRA License)(Yes /No), WDRA registration No at present, Valid Up Date (select from date picker only)

User may proceed further only if he has one valid licence from above mentioned two licenses.

C) **Warehouse In-charge / Manager Details** - User has to enter the correct details of godown in charge such as Name of Godown In charge/ Manager, Godown In charge/ Manager Address with Postal Address, Designation, Mobile, and Email etc.

D) **Godown Description / Details** - User has to enter the correct details of Godowns situated in a campus only. If the godown are not in one campus and situated in other places then separate registration must be filled. Such godowns which are situated in other campus or other places will be rejected. Hence this data entry needs utmost care.

Here user may enter ore than one godown available in campus and enter their length, width and Height in Feet Only. The system will accept **maximum height only up to 18 Feet**. Hence even the height of godown is more than 18 feet; user has to enter 18 feet only. Capacity will be automatically calculated by the system and user has to enter the construction year only.

All godowns in a campus can be added through this part of screen. Godown entered here only will be eligible for offering in next step. Also once submitted, no change in information is possible.

E) **Bank Account Details** - User has to enter the correct details of his/ her bank account. It is expected that user must enter the bank loan account details here. They may provide other bank account details only in such cases where there is no loan exist on user. This account will be used for disbursing the rental fee of the godowns.

User may select his / her bank name from given list; if his/ her does not available in list then he/ she may select the option “**other**” and then enter the bank account number and IFSC code.

Incorrect bank account number will lead to no payment to the godown owner in future. Hence user must enter the correct bank account and IFSC code.

F) **Nearest Distance of Warehouse From** - User has to enter the correct distances of his/ her Warehouse / Godown from (nearest) National Highway, /State Highway, Railway Station, Mandi and Goods Shed.

G) **Warehouse Geographical Information:** - User has to enter the correct latitude and longitude of its warehouse / godown in XX.YYYYYY and AA.BBBBBB format. This can be retrieved from any free downloadable mobile app (example Geolocation Tracker, GPS coordinate, MY GPS location, Latitude Longitude Location and many more)

H) **Warehouse Additional Facilities Information-** User has to enter the correct details of facilities available at warehouse such as Motorable Approach Road Type, Width of road (in Metres), Shutter gate / Jali gate / Channel gate in warehouse etc.

I) **Warehouse Hardware Information-** User has to enter the correct details of Available hardware at Warehouse such as Electronic Weighbridge and computer hardware/ Internet connectivity.

User may proceed further only if Electronic Weighbridge capacity is above 30 MT.

J) **Self Declaration** - User has to check on the Self Declaration button to proceed further.

If any Field is left blank the user may not be able to submit the form.

Once submitted the user will get the receipt of registration details in following screen.
